## Education

**Madan Mohan Malaviya University of Technology**

12/2021 - 06/2025

*Bachelor of Technology in Computer Science Engineering (CGPA of 9.05)*

## Experience

**Octanet**

05/2023 - 06/2023

*Web Developer Intern*

- Developed a **fitness project** with **HTML**, **CSS**, and **JavaScript** at **Octanet**.
- Designed a **responsive** and visually engaging Vinterface using HTML/CSS.
- Implemented **interactive** functionalities using **JavaScript** for user engagement.
- Collaborated within a team, refining **problem-solving** skills and gaining **front-end development** expertise.

**CodeSoft**

04/2023 - 05/2023

*Web Developer Intern*

- Executed assigned **web development** tasks using **HTML**, **CSS**, and **JavaScript**.
- Created **responsive** designs and integrated **interactive** elements.
- Ensured functionality met project specifications.
- Collaborated within the team, meeting deadlines and contributing to successful project outcomes.

## Projects

**E-commerce Website** | *HTML, CSS, JavaScript* | **Code** | **Live**

- This project exemplifies my skills in **front-end web development**, **UI/UX** design principles, and a practical understanding of e-commerce user behavior. Including this project on my resume showcases my ability to create impactful **digital experiences** that cater to user needs and business objectives. It also demonstrates my commitment to staying up-to-date with modern **web development practices** and **trends**.

**My-Portfolio** | *HTML, CSS, React Js* | **Code** | **Live**

- Built a **dynamic portfolio** using **React**, showcasing **skills**, **projects**, and **experience**. Employed React's modular components for a **responsive design**, integrating interactive elements for smooth navigation and engaging user experience. Highlighted expertise and achievements, presenting a professional resume with emphasis on both technical proficiency and design finesse.

**Image Gallery** | *Tailwind CSS, React Js* | **Code** | **Live**

- The **image gallery** project showcases my ability to create **dynamic** and visually appealing **user interfaces** using modern web development tools. It demonstrates my proficiency in working with **APIs**, handling **asynchronous operations**, and delivering seamless user experiences. This project underscores my commitment to staying current with industry trends and my dedication to delivering high-quality **front-end solutions**.

## Achievements

- **University Topper** (First year and Second Year)
- Highest rating of **1452** at CodeChef, which is the top site in terms of participation of programmers across globe.
- **SIH** semifinalist (Collage level)
- Solved more than **400+** problems across platforms
